

**CANDIDATE FOR CITY COUNCIL MEMBER
CITY OF CHINO HILLS**

NAME: ROSSANA MITCHELL

AGE: 43

OCCUPATION: Attorney

What a wonderful experience it is to live, work and raise my children in Chino Hills! This is a family oriented community and I want to ensure it remains that way. As both a former School Board member and City Councilwoman, I have the experience and dedication to maintain our community standards, with our beautiful rolling hills and close-knit neighborhoods that we cherish. As your City Councilwoman I will dedicate my energy and resources to the following:

- Increasing our tax base to maintain our parks and lighting without taxing our residents
- Maintaining our rural atmosphere and providing needed facilities such as a teen center, senior center, bowling alley
- Attracting sale tax revenues by bringing in quality restaurants and retail stores into our city i.e. Trader Joes, Claim Jumper and ensuring that the establishments that are brought into our community are family friendly.
- Increasing public safety by dedicating more funds to emergency services such as police and fire

As a business owner, attorney, mother, community member, and resident for the past 13 years, I will provide you with the representation you need.

At your service, Rossana Mitchell
